

Consultation Form

Please could you spare five minutes of your time to give your opinions on Petra Publishing. We value customer feedback and strive to give you, our clients, a better experience when delivering our services.

Name:

Company:

Email:

Telephone:

What is the main benefit you receive from our product/service?

What part of our service/product makes you happy?

What are your main problems with our product/service?

If you could pick one thing you think we could do better, what would it be?

How can we help provide more value to your organisation?

Would you recommend us to others, if so, why or why not?

It's not just about the book ... it's about the journey
